Welcome to PENPEX 2011

Welcome all to the Peninsula Philatelic Exhibition (PENPEX) held at the Redwood City Community Activity Building, 1400 Roosevelt Avenue. We are happy to continue to offer our friendly free show with a variety of dealers, exhibits, meetings, awards banquet, silent auction, and youth area.

There are plenty of things to do:

- This year PENPEX has two **show themes**. First, the commemoration of the postal mail dog, Owney. The second is the Centennial of California Woman's Suffrage. On Saturday, PENPEX will have a special Owney cancel and on Sunday a special Woman Suffrage cancel. Matching stamps and cachets are available for sale at the Table #16.
- There are **18 dealers** including the United States Postal Service and the United Nations.
- The **exhibit** area has 64 frames of exquisite material along with a special 4-frame "The History of PENPEX" exhibit produced by Kristin Patterson with the help of Paul Swierstra. A professional panel of judges will award ribbons and prizes at the Awards Banquet on Saturday evening at Harry Hofbrau.
- A **Silent Auction** will be open for viewing throughout the show. It will end promptly on Sunday at 2:30 pm. High bidders may collect their items at 3:45 pm.
- Enjoy the **food, refreshments, and beverages** with fellow collectors. The snack bar is open Sat. 10 – 3pm and Sun. 10 – 2pm.
- Check the **schedule** for group meetings that may be of interest to you. They are all open to the public.

Hey **Kids!!!** There is plenty for you to do. Make sure to visit the Youth Area at the far West end of the building for free stamps to all young collectors.

On behalf of the sponsoring Sequoia Stamp Club members and the Redwood City Community Activity Building, we thank you for attending our show, sharing your camaraderie, and furthering the hobby of stamp collecting.

About Our Show Cachets

California Women's Suffrage

On October 10, 1911, California became the 6th state to grant women the right to vote, nine years before passage of the 19th Amendment which guarantees women this right. At that time, other equal suffrage states were Wyoming, Utah, Colorado, Idaho, and Washington, all in the west.

It was a celebration of men supporting women with just enough male voters voting to share voting power with their wives, sisters, girlfriends, and mothers. This was a "radical" political position that western states were the first to embrace and that helped make the United States a more complete democracy. The dramatic California drive for woman suffrage was one of the most exciting and influential of the state suffrage campaigns. It set a new standard in terms of bold actions, new ideas, and successful techniques for use in other states.

Owney, the Legendary Postal Dog

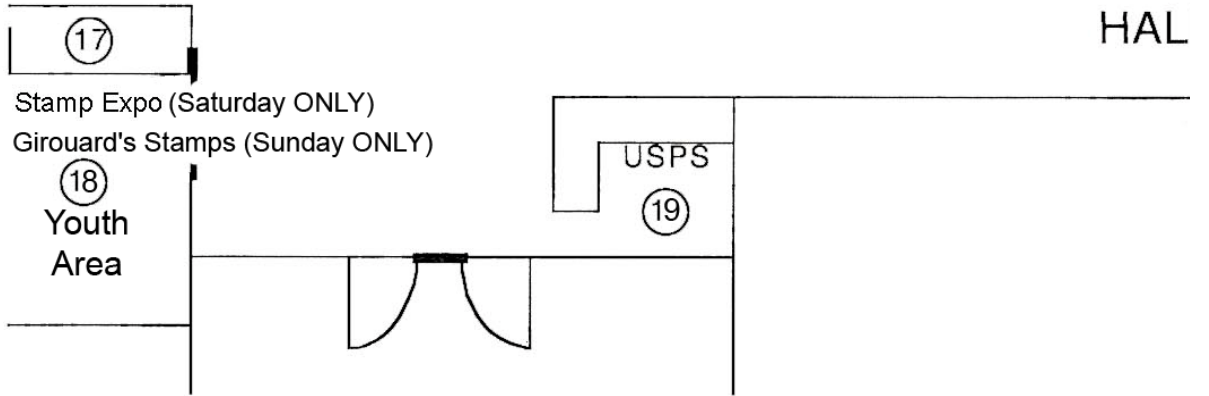

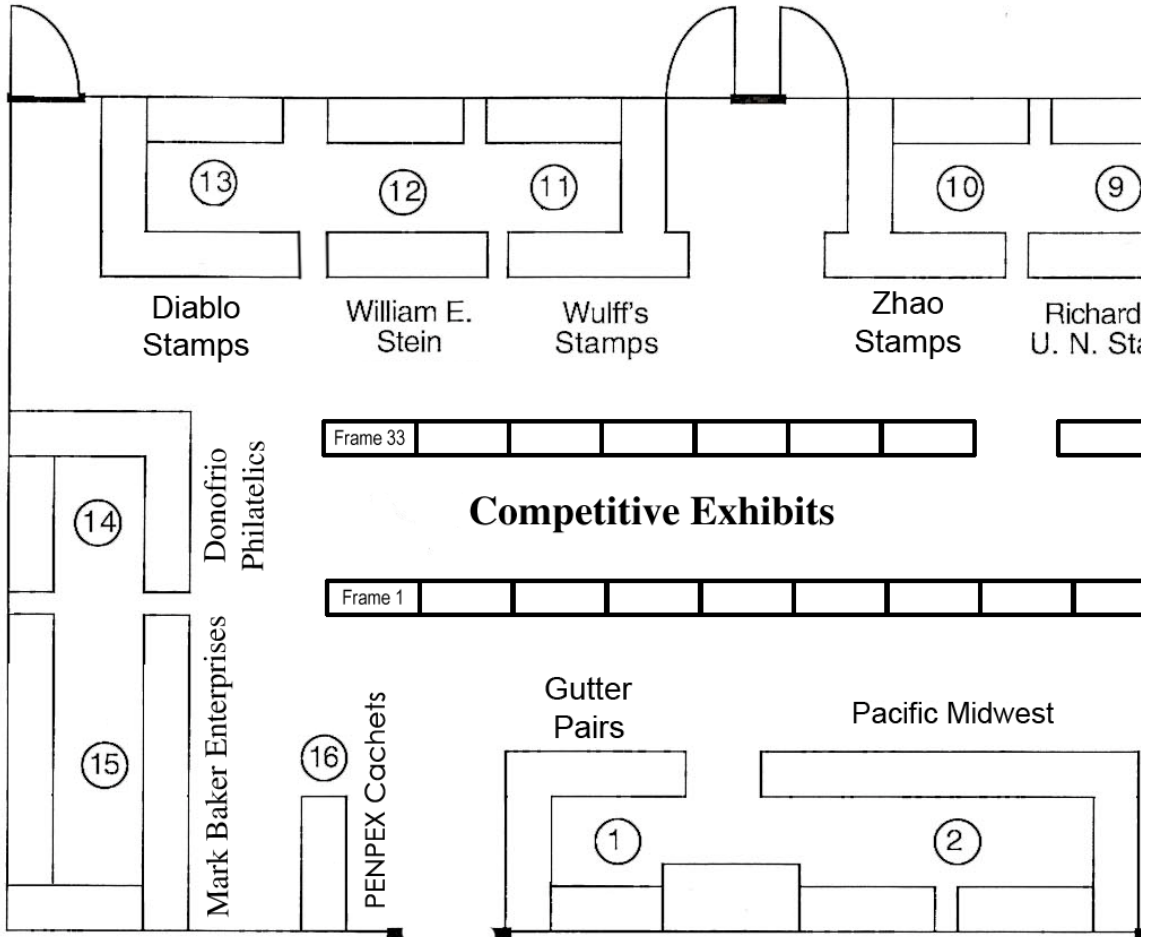

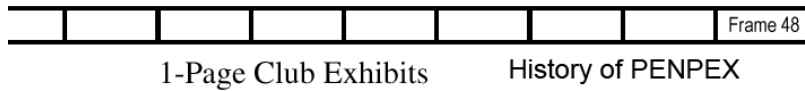

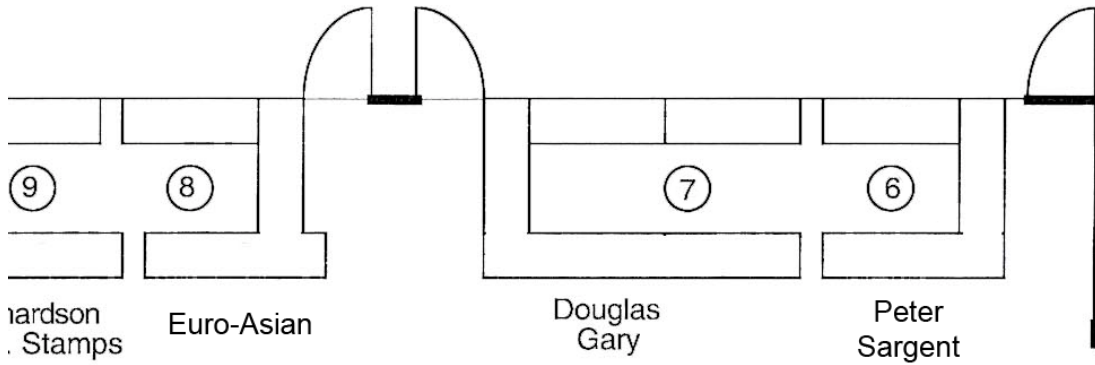

Owney, the legendary postal dog, who traveled across the country with the railway mail service, has been honored with a new stamp by the U.S. Postal Service on July 27, 2011. He was a terrier mix that started his postal adventures at the Albany, N.Y post office in 1888, first traveling on local mail wagons and eventually moving on to traveling the rails with the Railway Post Office

cars. Owney went wherever he wished to ride and his adventures were chronicled in newspapers nationwide in 1891, his fame grew every year.

Owney was beloved by postal clerks and he was hailed as a symbol of good luck. Postal clerks would attach metal tags to Owney's collar documenting his visits and travels. As the number of tags grew, the Postmaster General arranged for Owney to receive a special vest so clerks could affix his souvenirs. Owney passed away in July 1897 and is on display at the National Postal Museum in Washington D.C. carefully restored and preserved.

Visit Table 16 to purchase special show cachets for \$2 each.
