Dear Parents,

One of the opportunities the STAMPS R US Stamp Club members have is to join the *APS All★Star Stamp Club* for one year. This is a club that is sponsored by the American Philatelic Society, the largest organization of stamp collectors in the nation. The APS is respected as a leader in the Philatelic community throughout the world.

The *APS All★Star Stamp Club* gives free stamps, publications, and stamp-related gifts for the young people who are enrolled. It costs the child nothing to join. If you wish to enroll your child in the *APS All★Star Stamp Club*, please print your child's name, address, and birth date on the form below, sign it, and return it to Darlene Hickok no later than asap. The birth date is needed because the APS will send a special philatelic gift on the student's birthday.

Please be assured that the child's name and address will not be used for any other purposes than this *APS All★Star Stamp Club*.

Sincerely,

Stamp Club Advisor
