George O. Gutohrlein, Number 267, passed away in December, 1998. More details will follow as soon as they are known.

Dear Sequoia Stamp Club:

Welcome to the new year, 1999, with many new and exciting things to come. One new thing for me is being this year's Club President. When first asked to be president, I was leery because I had only been with the club for 2 years. But when I thought about it more, it was like being asked if I wanted more hot fudge on my chocolate sundae? How could I say "no" to something that I enjoy so much!

My first two years with the Club have been a true pleasure because of the friendly people that I have met. I am relatively new to the stamp

collecting hobby and am grateful when I can learn more from club members who are willing to tell. When members have presented, I am always fascinated to learn how, what, and why they did things. And I have never been bashful about asking questions.

I am looking forward to this coming year as I hope everyone else is. I look forward to getting to know everyone a little better as it seems only fair since you will soon know more about me, no doubt.

Fondly,
Kristin Patterson
