Dear Sequoia Stamp Club:

You undoubtedly noticed that the Sequoia Chatter looks different. At our meetings, members have been introducing themselves and telling the group a little bit about themselves. A couple of meetings ago, Elizabeth Moses introduced herself. She told us about how she started collecting stamps along with mentioning that she worked for Business Week Magazine.

Elizabeth is not a magazine editor but I figured being in the environment would at least give me the right to ask her if she would be willing to work on our newsletter.

She gladly accepted and is now the new editor. Please congratulate her the next time you see her.

We just had 2 wonderful speakers present to the group. Both Sig and Leonard's presentations were informative and entertaining. We have more planned for the future along with slide shows and an auction at the end of the even month. Hope to see you there.

Fond of stamps,
Kristin Patterson
President
