Welcome to PENPEX

Welcome to PENPEX 2005. We hope you will enjoy the show. We have brought together a group of dealers offering a full variety of materials to satisfy your philatelic needs. We also have a full complement of exhibits including a two frame “non-competitive” fun exhibit featuring the fantasy Dung Dung Island for your viewing pleasure.

Also featured are areas for the young and/or beginning collector, an USPS booth offering current United States stamps, and a snack bar. Raffle tickets are available at the Welcome Table.

See selected PENPEX memorabilia through the years gathered by Miriam Thurston at her dealer area at Table 17.

We encourage you to participate in our silent auction, which offers over 400 lots. Many of these lots can be acquired at bargain prices. The bidding process is quite simple and if you are unsure of the process, please stop by the silent auction room and our members will gladly answer your questions.

PENPEX is a joint effort involving the Sequoia Stamp Club of Redwood City, the Peninsula Stamp Club from Burlingame and the Redwood City Community Center. Information about these groups is available at the Welcome Desk.

We sincerely hope you will enjoy your visit to our show.

Northern California Council of Philatelic Societies

Welcome to the PENPEX stamp show. It is one of the fine local and regional shows presented by clubs that are long time members of the Council of Northern California Philatelic Societies.

The purpose of the Council is to promote philately, effect cooperation among organized philatelic clubs, encourage stamp club sponsored philatelic exhibitions, and to promote a unified effort to advance the cause of stamp collecting through publicity and education.

This is *your* Council. In this new millennium, we will face new challenges and changes to our hobby. We can all help in the spirit of unity by providing thoughtful ideas and feedback to Council officers to encourage improvements in our philatelic endeavors, activities and events.

We sincerely hope you enjoy PENPEX. It is the result of many hours of dedication by volunteers from the Sequoia and Peninsula Stamp Clubs.

Friends of the Western Philatelic Library

The Friends of the Western Philatelic Library are volunteers who are dedicated to housing, maintaining and expanding the largest philatelic library west of State College, PA. We are located fifteen miles south of Redwood City, in Sunnyvale. The main collection of books, periodicals, pamphlets, tear sheets, stored items, and books for sale, etc. requires over 3,000 lineal feet of shelving, 48 file drawers for unbound periodicals and 30 drawers for pamphlets (with a 15 drawer index)! The computerized catalog lists 4,090 books, 5,500 pamphlets and over 1,400 catalogs, and is expanding weekly!

The WPL was organized as the South Bay Philatelic Library in 1969. By 1971, as the size, importance and mission grew, the name was changed to Western Philatelic Library. Today, it provides in-library use of scarce research books, catalogs, journals, and more common research material. Most material may be borrowed upon presentation of adequate identification.

The WPL is located in Building 6, Room 6 of the Raynor Park Facility, 1550 Partridge Ave., Sunnyvale, CA. Call (408) 733-0336 for current hours. Visit our table here at PENPEX.

The American Philatelic Society

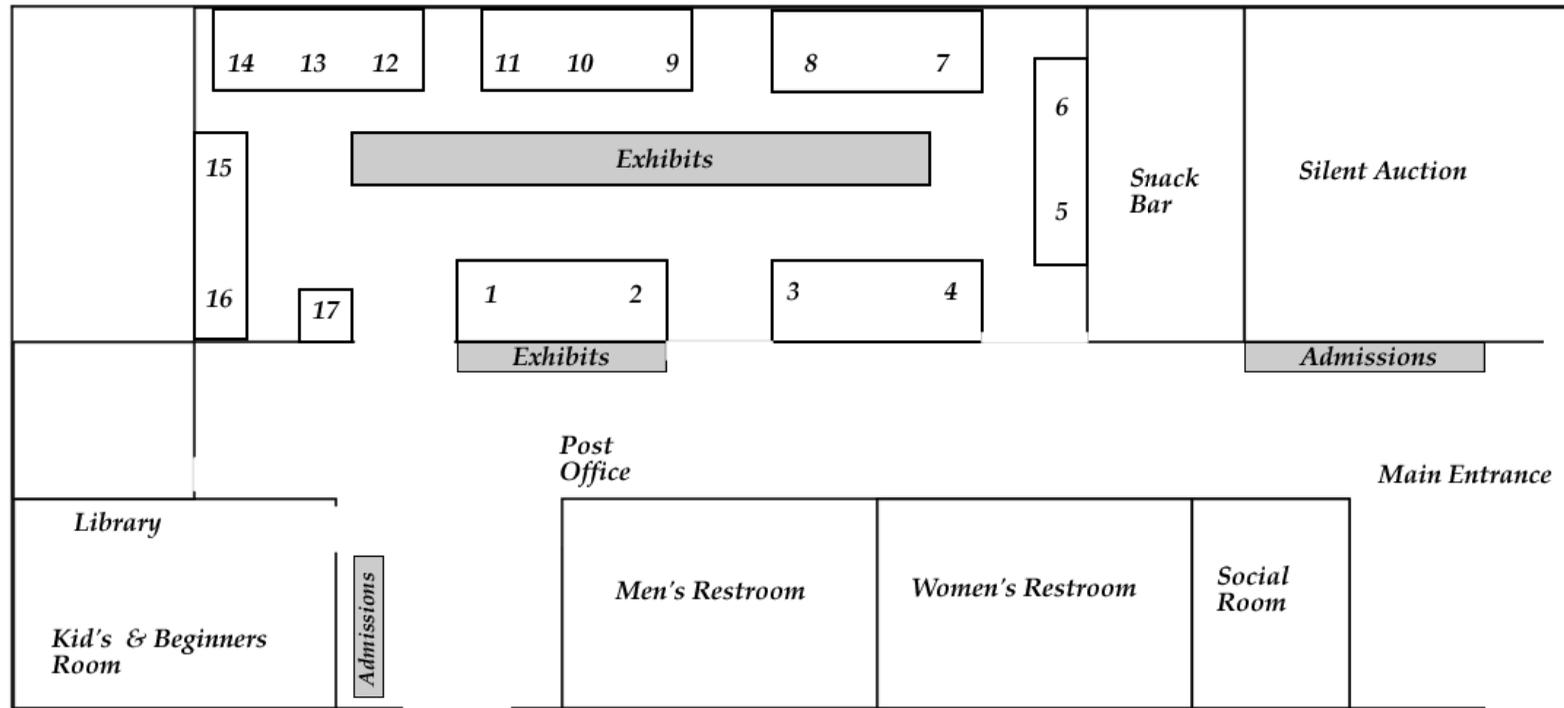

With 55,000+ members in more than 110 countries, the American Philatelic Society is the largest nonprofit membership society in the world for stamp collectors. It is supported entirely by membership dues, gifts and the sale of its publications and services. Founded in 1886, the APS is now in its second century of service to stamp collectors and postal historians.

Whether you are a beginning collector or have years of philatelic experience, the APS offers you a number of services and educational opportunities to broaden your personal collection and enhance your special collecting interests! No matter what you collect--worldwide, the stamps and postal history of a particular country, or by topic--APS membership will help you gain more enjoyment from your hobby.

For membership information write APS, P.O. Box 8000, State College, PA. 16803, or phone (814) 237-3803.
