2006 PENPEX Stamp Show

December 2 & 3, 2006

Community Activities Building

Presented By:

Welcome to PENPEX

Dear Show Attendees:

Welcome to PENPEX 2006. This show is run by volunteers from Peninsula and Sequoia Stamp Clubs. This show offers 19 dealers including tables by the U.S.P.S. and U.N. Our auction which closes at 3pm on Sunday offers over 450 lots from U.S. to Worldwide stamps and collections. Some great deals can be found here starting as low at \$5. If you would like to try your luck, then check out the raffle items located at the welcome table.

PENPEX has a full schedule both Saturday and Sunday, so be sure to look at the event schedule so you will not miss a meeting by area societies. For those who are under 18, there is a Youth Area which has many fun activities and free stamps for the youngsters. Also, in the main hall and in the outer hall are both competitive and fun exhibits that show a diverse display of philatelic material.

As with every year, PENPEX creates show cachets that commemorate local events. This year 3 cachets were created. First, the 150th Anniversary of the San Mateo County; Redwood City being the county seat. Second, the 60th Anniversary of the 49ers professional football team. Lastly, the 50th Anniversary of the Invention of the Hard Drive. But that is not all, the first two cachets will have special personal photo stamps that are related to the covers.

If that is not enough, then sit down with a friend or a local collector and discuss stamps. To make this even better, PENPEX will have a new snack bar with many different offerings from sandwiches to fruit and cheese platters and the all-time favorite hotdog.

Enjoy the show and happy stamp hunting.

Friends of the Western Philatelic Library

The Friends of the Western Philatelic Library are volunteers who are dedicated to housing, maintaining and expanding the largest philatelic library west of State College, PA. We are located fifteen miles south of Redwood City, in Sunnyvale. The main collection of books, periodicals, pamphlets, tear sheets, stored items, and books for sale, etc. requires over 3,000 lineal feet of shelving, 48 file drawers for unbound periodicals and 30 drawers for pamphlets (with a 15 drawer index)! The computerized catalog lists 4,090 books, 5,500 pamphlets and over 1,400 catalogs, and is expanding weekly!

The WPL was organized as the South Bay Philatelic Library in 1969. By 1971, as the size, importance and mission grew, the name was changed to Western Philatelic Library. Today, it provides in-library use of scarce research books, catalogs, journals, and more common research material. Most material may be borrowed upon presentation of adequate identification.

The WPL is located in Building 6, Room 6 of the Raynor Park Facility, 1550 Partridge Ave., Sunnyvale, CA. Call (408) 733-0336 for current hours. The library will have a free give-away table in the main hall.

The American Philatelic Society

With 55,000+ members in more than 110 countries, the American Philatelic Society is the largest nonprofit membership society in the world for stamp collectors. It is supported entirely by membership dues, gifts and the sale of its publications and services. Founded in 1886, the APS is now in its second century of service to stamp collectors and postal historians.

Whether you are a beginning collector or have years of philatelic experience, the APS offers you a number of services and educational opportunities to broaden your personal collection and enhance your special collecting interests! No matter what you collect--worldwide, the stamps and postal history of a particular country, or by topic--APS membership will help you gain more enjoyment from your hobby.

For membership information write APS, P.O. Box 8000, State College, PA. 16803, or phone (814) 237-3803.

Northern California Council of Philatelic Societies

Welcome to the PENPEX stamp show. It is one of the fine local and regional shows presented by clubs that are long time members of the Council of Northern California Philatelic Societies.

The purpose of the Council is to promote philately, effect cooperation among organized philatelic clubs, encourage stamp club sponsored philatelic exhibitions, and to promote a unified effort to advance the cause of stamp collecting through publicity and education. This is *your* Council. In this new millennium, we will face new challenges and changes to our hobby. We can all help in the spirit of unity by providing thoughtful ideas and feedback to Council officers to encourage improvements in our philatelic endeavors, activities and events.

We sincerely hope you enjoy PENPEX. It is the result of many hours of dedication by volunteers from the Sequoia and Peninsula Stamp Clubs.

This Years Theme: Local Anniversaries

150th Anniversary of San Mateo County: Once called "the most corrupt county in California," San Mateo County was formed due to political intrigues and backroom deals in 1856. The Consolidation Act, authored by Horace Hawes, cut off approximately nine-tenths of the County of San Francisco and provisioned that a new county would be organized without delay. While the Act was not to have gone into effect until July, an election was held on May 12, 1856 and opportunists had hoped to gain control of the county. Redwood City was selected to be the county seat.

60th Anniversary of the 49er's: The 49ers began play in 1946 as a charter member of the All-America Football Conference and joined the NFL in 1950 after the AAFC merged into the older league. The team currently shares the record for most Super Bowl victories (5) with the Dallas Cowboys and the Pittsburgh Steelers. They are considered one of the greatest teams in NFL history.

50th Anniversary of the hard drive: Today, the hard drive is found everywhere--from the PCs to MP3 players. The first hard drive, the IBM RAMAC, was first introduced in 1956. It was huge housing and 50 24-inch platters. The RAMAC could hold 5MB--about the storage that today is needed for one 5-minute MP3.
