# Northern California Council of Philatelic Societies

Welcome to the PENPEX stamp show. It is one of the fine local and regional shows presented by the Sequoia Club, a long time members of the Council of Northern California Philatelic Societies.

The purpose of the Council is to promote philately, effect cooperation among organized philatelic clubs, encourage stamp club sponsored philatelic exhibitions, and to promote a unified effort to advance the cause of stamp collecting through publicity and education. This is *your* Council. In this new millennium, we will face new challenges and changes to our hobby. We can all help in the spirit of unity by providing thoughtful ideas and feedback to Council officers to encourage improvements in our philatelic endeavors, activities and events.

We sincerely hope you enjoy PENPEX. It is the result of many hours of dedication by volunteers from the Sequoia Stamp Club.

## Thanks to BNAPS and WESTPEX

The Sequoia Stamp Club would like to thank BNAPS (British North America Philatelic Society) and WESTPEX for their generous grants and also to Mystic Stamp Company and the many club members and friends that have donated time, supplies and funds to our growing Stamps R Us Youth/Beginner Program. Without your time and donations we would not be able to extend to our beginners the many learning tools that they receive to keep our hobby alive, interesting, and ongoing. Each year we strive to find new material and fun projects for beginners and more experienced youth collectors. Thank you to each and everyone!

Darlene Hickok  
Youth/Beginner Chairperson
