American Philatelic Society certifies that **Sequoia Stamp Club** of Redwood City, Calif. is duly authorized as Chapter 687. Granted this 31st day of May A.D. 1968.

Introduction to the Sequoia Stamp Club

Welcome to the Sequoia Stamp Club, one of the largest and most active philatelic associations in Northern California. We have a proud history of over 65 years. As of January 2014 our membership stands at 125, with a nice mixture of old timers and new members. The entire club roster is published in the club yearbook which each member receives annually. Attendance at our bi-monthly meetings is increasing, averaging approximately 35-40 attendees per meeting. We also sponsor a youth group, Stamps R Us, which has a membership of over 40 aspiring young collectors.

A key to our success has been the leadership provided by dedicated members and the active participation of everyone. All the elected officers and appointed committee chairs work hard to fulfill the responsibilities of their positions. Club members gladly step forward when needed to enhance the operation of the organization. Our club is on sound financial footing, which allows us to keep our dues at the low rate of \$3.00 per year.

We are proud of the many offerings that are available to our club members, many of which are described in detail in this New Member Handbook. Our programs, live auctions, and swap meets have been well received by members and our regular silent auctions are always a highlight of the evening. Members may check out circuit books to take home and select stamps to add to their collections at a reasonable price. Current Scott Catalogues and other reference books are available for checkout from our club library. Our quarterly newsletter, *Stamp Chatter*, along with our website, provides interesting philatelic articles and keeps members informed of club activities. Refreshments are available at every meeting and social events such as pizza night and a summer picnic are very popular.

We take pride in being a very social and friendly club and we are pleased that you have decided to join us. We hope to get to know you better and look forward to your participation and involvement in club activities. Visit our website, www.penpex.org/ssc, for more information

and a current listing of upcoming activities.

History of the Sequoia Stamp Club

On September 30, 1947, a small group of enthusiastic stamp collectors met in the Recreation Craft Room at the Redwood City's Fire House #2 (now Station #10) at 2190 Jefferson Avenue on the corner of Myrtle Street, to form the Sequoia Stamp Club. They elected Mr. Louis Weiss as president and set the annual club dues at \$1. The membership voted unanimously to make Alfred "Red" Morton their first Honorary Member for his untiring and splendid efforts in promoting the formation of the club and the Junior Stamp Club. Hired in 1937, Mr. Morton was Redwood City's first recreation director. The Recreation Department graciously furnished stencils, postcards, and supplies for SSC meeting notices.

Mounting interest in philately and stimulating programs increased the membership to over 80 individuals, causing the craft room at the Fire House to bulge at its seams. In March 1950, it became necessary to transfer the club meetings and events to a larger venue: the YMCA building at 1234 Brewster Avenue in Redwood City.

In 1956, the completion of the new Sequoia YMCA building at 1445 Hudson Street (still there in 2014) provided an even better facility which further enhanced the activities of the club. However, with the increased popularity of the YMCA, as well as continuing growth of the club membership, another move was necessary. In 1962, the club began meeting in the Friendship Room of the American Savings and Loan Association of California at 1615 Woodside Road. This was an excellent meeting place, but there was a drawback. It was on the second floor and some of the older members found climbing the stairs too difficult, so in January 1965 a move to the Veterans Memorial Building at 1455 Madison Avenue took place.

Further growth dictated another move. In January 1967, the club moved to the new RC Community Activities Building at 1400 Roosevelt Avenue, where they comfortably settled and still meet there today.

The members have always enjoyed well-rounded philatelic programs, including exhibitions, lectures, film and slide shows, speakers, sales circuits, live and silent auctions, and active discussions. Let us not forget the trading, penny boxes, spot sales, quizzes, and more.

The inherent interest and enterprise of philatelists, coupled with a demonstrated spirit of cooperation among members, has resulted in making the Sequoia Stamp Club one of the liveliest stamp clubs in the Bay Area. The club celebrated its 65th birthday with a huge party on September 25, 2012. Bill Moll (photo above), the honored guest for the festivity, was SSC's last surviving charter member.

4. Blank spaces should have a large X across the space to indicate no stamp.

7. If owner does not want his book signed out he must so inform the Circuits Manager at time of submission.

Silent Auction Rules

1. Place lots on the silent auction table prior to the start of meeting. Sellers are required to fill out a printed form describing the lot and providing space for written bids to be entered. A minimum starting bid should be specified. The description must include catalog number (unless collection or accumulation), accurate description of condition, catalog year used for pricing, and other relevant information, such as complete or partial set, etc.
2. Sellers are limited to five (5) lots. If there is a space, the auction manager may allow sellers to add additional lots.
3. A 10% fee will be deducted from the selling price. The fee will be rounded up to the nearest nickel to eliminate the use of pennies.
4. Only members of Sequoia Stamp Club may enter material in the silent auctions. Guests and visitors may bid and buy lots, which must be paid at the close of auction.
5. The auction manager (or designated person presiding over the auction) will announce the time at which the auction will close.
6. Removing a lot from the table, blocking, or otherwise preventing other bidders from bidding by hovering over a lot when the auction approaches closing time is strictly prohibited.
7. If a lot is contested by two or more bidders at the time the auction closes, the bidders involved will be allowed to continue bidding until such time as only one bidder prevails. When the auction closing time is reached, the auction manager will ask if there are any contested lots. If so, the process previously described will begin. A bidder involved in a contested lot must have previously bid on the lot in question.
8. The auction committee will have the final judgment regarding inaccurately described lots. If the ruling is in favor of the buyer, the seller must refund the amount realized on the lot to the buyer. Any claim must be submitted no later than the next meeting following the auction.
9. Sellers will be paid after the auction closes and all purchases have been paid for.
10. Any variances to these rules or other auction issues will be at the discretion of the auction committee only.

Regular (Live) Auction Rules

1. Submit all material to the auction chairperson prior to the start of the meeting on the date of the auction. Each seller is required to fill out the club's pre-printed form describing the lot and submit the form with the material. The description must include catalog number (unless a collection or accumulation), accurate description of condition, catalog year used for pricing, and other relevant information, such as complete or partial set, etc.
2. Each lot will be assigned an auction lot number by the auction chairperson. Entries without a lot number will not be entered into the auction.
3. The auctions will be limited to 50 lots maximum on a "first come first served" basis. Sellers will be limited to five (5) lots unless there are less than 50 lots.
4. Each lot submitted must have a minimum value of \$5.00 and this will be the lowest starting bid. Lots of lesser value should only be entered in the club's silent auctions.
5. Only members of the Sequoia Stamp Club may enter material in auctions. Guests and visitors may bid and buy lots.
6. A 10% fee will be deducted from the selling price with a minimum fee of 50¢. The 10% fee will be rounded up to the nearest nickel to eliminate the use of pennies.
7. Sellers may NOT specify a starting or minimum bid. Sellers are allowed one free bid to protect their lots. Additional bids by the seller are permitted but the lot will be treated as "sold" and subject to the 10% commission.
8. Bidding increments will be:
 - .50 cents for \$5.00 up to \$10.00;
 - 1.00 dollar for \$10.00 up to \$20.00;
 - 20.00 dollars & up at the discretion of the auctioneer.
9. The auction committee will have the final judgment regarding inaccurately described lots. If the ruling is in favor of the buyer, the seller must refund the amount realized on the lot to the buyer. Any claim must be submitted no later than the next meeting following the auction.
10. Any variances to these rules or other auction issues will be at the discretion of the auction committee only.

Stamps R Us (Youth)

In the year 2000, the Sequoia Stamp Club, under the leadership of Darlene Hickok, organized a group of volunteers to facilitate the involvement of youth in the hobby of stamp collecting. They began by meeting once every two months at a local library with young people interested in learning about stamps, but it was soon discovered that youth in this area were busy with sports and school activities, and had difficulty attending meetings on a regular basis. So in 2007, the program switched to a mail based operation.

The Sequoia Stamps R Us volunteers meet regularly to assemble stamp packets which are mailed out monthly plus two instructional, individualized mailings per year. The packets contain stamps and activities that are both fun and educational. This learn-by-mail program through Stamps R Us is open to all kids age 4 to 17 as well as adult beginners. Below is a brief description of the programs:

- What is philately? – Explains where stamps come from and where to find them. A free sample album will be available along with free stamps.
- Soaking stamps – No one knew you could have so much fun with some paper and water. Members will learn to soak stamps from envelopes.
- Mounting stamps – Examples of different ways to safely mount stamps will be shown. Also hinges will be supplied so that members can mount their stamps.
- Books on stamps – Tour your library to find books about rare stamps, famous stamp collectors, stamp catalogs, and other stamp related topics.
- Stamp Games – A variety of stamp games to play with family and friends are included in the mailings.
- Stamp Hunting – Large boxes of unsorted stamps are available for all kids to search thru at the PENPEX show in December. Packets with interesting topical stamps are also be mailed out on a regular basis.
- Treasure chest – Earn points for completing games and projects during the year to redeem from the treasure chest at the PENPEX Stamp Show in December. The treasure chest has games, books, stamps and toys to choose from to encourage local members to attend the show to participate in activities and meet other collectors.

Stamps R Us members, Sebrianne and Dina of Redwood City, show off the awards they earned from entering their stamp exhibits in the 2011 Santa Clara County Fair.

Membership fees for the Stamps R Us youth group are only \$5.00 annually. For more information contact Darlene Hickok at 650-366-6132. Membership applications are available at the PENPEX Stamp Show or send an email to SequoiaStampClub@yahoo.com with your name and address. The application and forms may also be printed out from the website, www.penpex.org/ssc/stamps-r-us-youth-group, and mailed along with the membership fee to: Youth Membership, P.O. Box 235, San Carlos, CA 94070.

Since the future of philately lies in our youth, members of the Sequoia Stamp Club need to actively support our youth group and encourage interested young people to participate in the fun and educational opportunities offered by the Stamps R Us program. We plan on recruiting more youth but need help in getting the word out to the public. We need topical stamps (Disney, scouts, maps on stamps) and supplies such as hinges, treasure chest items, and tongs. Volunteers are always welcome to help any way they would like.

PENPEX

The Peninsula Philatelic Exhibition (PENPEX) is held in the heart of the San Francisco peninsula. The first show was held over 60 years ago in Burlingame in 1951, then in the 1960s it moved to the Veterans Memorial Building in Redwood City, and starting in 1975 with the cooperation of the Peninsula Chapter-Society of Israel Philatelists, the show settled at its current site, the Community Activities Building (CAB), which has been PENPEX's home for 30 consecutive years.

Both Peninsula and Sequoia Stamp Clubs were formed in 1947 to promote stamp collecting in the San Francisco peninsula area. They assisted and encouraged members to exhibit and were active in the creation and support of PENPEX. Now extinct, the Foothill Stamp Club, Palo Alto Philatelic Society, and Palo-Menlo Stamp Society had members who volunteered to support past PENPEX shows. Because of multiple contributors, PENPEX was set up as its own non-profit organization. Each year when profits were realized, donations were shared with the sponsoring clubs and the facility.

PENPEX 2013 show cachet predicting that PENPEX will run forever.

Thanks to the efforts of hundreds of dedicated volunteers, the now annual mid-peninsula stamp show held in December is free to all interested in attending. The show regularly attracts up to 20 dealers, 64 frames of philatelic exhibits, a 500-lot silent auction, a club-operated snack bar, a youth area, and free parking. The show is enjoyed by area collectors as a place to see and find excellent philatelic material and have fun interactions with friends.

The CAB was built in 1966 as a gathering place for local groups. In January 1967, it became the permanent home of the Sequoia Stamp Club which holds meetings every 2nd and 4th Tuesday evenings. The Sequoia Stamp Club has been involved with PENPEX since the second show in 1960. As one of the largest clubs in the area, members have held all PENPEX positions.

If you have any ideas or would like to get involved, please speak with PENPEX 2014 Chair Kristin Patterson at penpexredwoodcity@yahoo.com or visit the website, www.penpex.org.
