This September marks a momentous milestone as Sequoia Stamp Club turns 75 and is hosting a huge celebration on **Saturday, September 17** from 1:30 to 5:00 pm at the Community Activities Building, 1400 Roosevelt Ave., Redwood City, CA. The Official Ceremony will be at 3:30 pm. All stamp collectors and enthusiasts are invited to join us in our celebration. The event is **FREE**.

Here is what you can expect at this once-in-a-lifetime event. Everyone will be given a raffle ticket when signing into the guest book. If you come dressed in 1947 (the year the club was founded) attire, you will get 2 more raffle tickets. With your raffle ticket and others that you can earn by playing numerous games, you can select a chance to win:

Scott Digital Catalog
1-year subscription

US #158 MNH

Here are just some of the ways to get additional **RAFFLE TICKETS**:

1. Be older than the club.
2. Wear 1947 attire to the event.
3. Be a Sequoia Stamp Club member or join at the celebration.
4. Play one of the many games with a chance to win more tickets. Here are some of the notable games:

Cornhole Compete against yourself to get the beanbag in the hole.

Magic 8 Ball Give the ball a shake, ask "Will I win a raffle ticket?" and look at the answer on the bottom of the ball.

Hook-Em! 1947 Milton Bradley game. All equipment provided.

Shoot the Moon Separate the rods to make the steel ball roll to you. Try to get the ball into the 1000 spot.

Curling Zone Glide two stones toward the bull's-eye target. You could win a raffle ticket for your score.

Disc Drop Select a colored disc and drop it from anywhere at the top of the board. If it lands in the same color slot, you win a raffle ticket.

Prize Wheel You can spin the wheel twice. When the wheel stops, the pointer shows the prize you won.

Or have a seat and play **Philatelic Bingo**. Your Bingo card will be made up of stamp images. The caller will name different stamps and the first players to complete an entire line, win raffle tickets. Or **guess the number of postage stamps** in the jar without going over. The four closest guesses win.

But that is not all. There will be a free Photo Booth that will immediately print your photo on a postcard for mailing. Also, setup will be an oversized postage stamp U.S. #947 cutout where you can put your head into the holes and have your photo taken on your own phone.

Let's not forget refreshments, philatelic exhibits, a bid table with 12 stamp lots for sale to the highest bidders, engaging conversation, lots of happy philatelists, and more surprises that will make this an event to remember. Sequoia Stamp Club looks forward to seeing you.
